CLUBHOUSE

CHEF KINGS COURT

Look What's Growing!

Thanks to Chris Body's carpentry skills, Chef King and the culinary team have their own raised garden beds filled with a large variety of herbs and vegetables well on their way for harvesting.

Chef's recommendation for a perfect summer terrace menu selection :

Marinated Watermelon Salad

Summer watermelon marinated in white balsamic vinegar, black pepper and finished with crumbled feta and basil.

Followed by a pair of crispy Soft Shell Crabs with snow pea shoots and toasted almond butter

Shayan Pandoliz, Director of F&B

Cocktail Creations from Stanwich Staff , Carlos creates the Perfect Storm!

We have a few changes to our Beverage Program as the summer months progress, with new cocktails, wines and specialty beverages.

The first of our new creations is **The Perfect Storm**, created by our trusty bartender, **Carlos Villalda**. As we have been encouraging the creative processes behind the bar, we are thrilled to introduce the first of Carlos' bespoke cocktails, made with Ketel One Vodka, Angostura Bitters, Pineapple Juice, a touch of lime, and topped with Goslings Ginger Beer. This refreshing beverage is a Stanwich original, created for and by one of our own! Try one – we guarantee you'll enjoy it!

We also have a few new wines featured on the list, and as our current summer **Wine Special we are featuring Stags Leap Chardonnay**. This delicious Napa chardonnay is beautifully balanced, with a wonderful contrast of richness and minerality that makes it a true depiction of California chardonnays. This wine combines soft oak with flavors of ripe pear, apple pie and slight hints of baking spice, making it a wonderful accompaniment to many of Chef Kings summer menu offerings.

Come enjoy a drink (or several!) on the patio this summer!

JUNIOR-AM

JULY 25TH, 2016

TEAM

SPONSOR- \$3,300

- 3 Junior-Am entries
- 3 dozen TaylorMade golf balls
- 3 framed mementos
- 3 Polo Ralph Lauren shirts
- 3 Wyndham Cup towels
- Forecaddie
- Invitation to the Cocktail Reception

INDIVIDUAL

SPONSOR- \$1,100

- 1 Junior-Am entry
- 1 dozen TaylorMade golf balls
- 1 framed memento
- 1 Polo Ralph Lauren shirt
- 1 Wyndham Cup towel
- Forecaddie
- Invitation to the Cocktail Reception

The Wyndham Cup is a Ryder Cup-style format featuring the top 20 boys and girls from east of the Mississippi River versus the top 20 boys and girls from west of the River. The first two days of competition include foursome and four-ball matches, with the final day reserved for singles matches. Each team consists of 10 boys and 10 girls based on the current Polo Golf Rankings.

Golf Course Issues and Answers

Scott E. Niven, CGCS

Golden Fescue Planted for Walk to # 8 Tee

The weather this spring has been very favorable for golf as well as golf turf. It has been cooler and drier than normal (about 5 inches less). The general prediction for this summer is for it to be drier than average and only about a degree warmer than our mean summer temperatures. Sounds like great golf weather - let's hope they are right !

Lately I have often been asked about what we planned to do with the wooded area between the 7th green and 8th tee. That area used to be a thick Spruce forest, very dark and free of any ground vegetation due to the dense shade. It was a pleasant and unique walk as you made your way to the 8th tee. Over the past 10 years, severe storms with high winds such as hurricane Sandy among others have knocked down dozens of the tall trees leaving that area very sparse and rather sunny. That evolution has resulted in a stand of volunteer weeds which are rather unsightly. A variety of ideas have been offered as to what to do with that area, from planting low growing under story type shrubs, to installing another tee. This spring the green committee decided to have us establish a stand of fine leaf fescue which would give that area a lovely golden yellow color to enjoy as you walk or drive to the 8th tee.

*Golden Fescue in
foreground*

Establishing a stand of grass in that wooded area involves a number of steps for success. The first one is to kill all existing vegetation by spraying a non selective herbicide called Round -up. That product is translocated throughout the weeds, killing all plant parts including the roots, stems etc.

The Round-up spray was applied 2 times about one week apart. Next we raked the area clean of all loose organic debris. We had removed most of the stumps as we cut out the many fallen trees over the years and the remaining ones were ground up with our stump grinder. Then to help the seed to successfully root in that area, we used a spiker to cultivate the surface opening up many voids for seed establishment. The last step involved spraying the entire area with a hydro seed mixture that contained the fine fescue seed, a tackifier which is an organic mulch, liquid fertilizer and water.

Golf Course Issues and Answers

Scott E. Niven, CGCS

Once the grass is established, there won't be any need to water it, however in the beginning it will be necessary to use some portable sprinklers to encourage germination.

This summer you will see a green cover in that area as the fescue fills in. Next year and all subsequent ones, that turf will extend a golden colored seedhead that will give the area a nice natural look, which we hope everyone will enjoy. Its maintenance over the years will include one mowing in the late fall or early spring as well as some weed control to maintain the desired uniform golden yellow color. We hope you like the final results.

New Back Tee for #5

You may have noticed a small new tee on the South side of the entrance road behind the existing 5th tee. That tee adds 26 yards to the hole making the total about 560 yards. This extra length will bring the water left and trees right more into play for the very long hitters. It will be used for special events when tournament officials determine that that hole needs a little more teeth.

If you would like to try it out, it will be open for use when you see some tee markers on it.

New Back Tee #5

COURTSIDE EXHIBITION MATCH

Our own Pros Chris and Patrick put on a great show for the members to watch. We had about 50 spectators of all ages come out to see what a really competitive and action filled singles match looks like!

COURTSIDE IMPORTANT DATES

Ladies have been enjoying coming out to our Weekly Cardio Tennis Clinic on Wednesday from 10:30AM-12:00PM. It is open to ALL levels and we promise to give you a good workout while also working on your tennis game!

Monday, July 4th – Kids “Red, White and Blue” Tennis Games

Dress in Patriotic Tennis Clothes and come out to win some fun prizes!

Saturday, July 9th – Parent Child Tournament

Sign up with your child to take on other Parent Child Teams in a fun day of Tennis Stanwich

Sunday, July 10th – Men’s Singles Club Championships

If you want a good workout come out to play in this event!

Wednesday, July 20th – Women’s 105 Night

Themed Tennis Social for ALL LEVELS

Sunday, July 24th – Men’s Doubles Club Championships

Find a decent partner and sign up!

Nominating Committee Open Meeting

The Nominating Committee has scheduled an open meeting for **Sunday, July 24th at 3:00 pm** at the Clubhouse in the Card Room for members to suggest member names for the next Executive Committee and Board of Directors as openings occur. Positions would be filled starting in January 2017.

It is also an opportunity for members to volunteer themselves to join one of the numerous committees responsible for making Stanwich so special.
