**\*BURGER ALERT\***

---

---

The culinary team has developed a new blend of ground beef that has surpassed anything we have tasted and tested before. The blend consists of 100% black Angus chuck roll, short rib, and brisket. The combination of these three components gave us the results we were looking for. The burger retains its juiciness and color. The richness and flavor is similar to that of a steak. The construction is also important. We start with a brioche bun, shaved iceberg lettuce and sweet onion. Finished with age cheddar and applewood bacon. I'm sure you will agree this burger is at a whole new level of flavor.

See you on The Terrace, Chef

# DINING

## STANWICH CLUB DINING RESERVATIONS

### **Semloh** – *First Come First Served*

Please join us at Semloh on a first-come-first-served basis. As this is one of the most popular areas of the Club, a no-reservation policy allows us to maximize the tables and turn them more efficiently when members come in on a first come first served basis. Should the wait be too long, we would be delighted to accommodate the members in the other dining areas based on availability. Please note that the members that have booked tables in the Grill Room will be given the priority as they have standing reservations.

### **Grill Room and Patio** – *Reservations Requested*

Please call the Front Desk with any reservations and we will accommodate them. Please be aware that due to demand, we may not have all time slots available, and ask that members arrive on time for their reservations, as the table may be booked for another member later in the evening. We allow ample time for members to dine, but often have a “second seating” that is challenging to accommodate should the member in the “first seating” arrive much later than the reservation time. Should a member choose to dine in Semloh instead of the Grill Room, they will be accommodated per the first-come-first-served policy

### **Dining Room** – *Reservations Required*

The Formal Dining Room requires reservations for dinner on Thursday, Friday and Saturday nights.

# SUMMER WINES

Moving into the summer months means new summer wines, both by-the-glass and for bottle service.

Les Baronnes Sancerre  
by Henri Bourgeois

In order to round out our by-the-glass selection of wines, we have added a new Sancerre to the list, Les Baronnes from Henri Bourgeois. This fresh wine has a complex flavor, with citrus, grass and minerality predominant and hints of gooseberry, passion fruit and lemon zest. This sauvignon blanc based wine is perfect for a hot summer day

Barone Fini Valdadige  
Pinot Grigio

We are delighted to offer a new Pinot Grigio on our list, from Barone Fini winery in Trentino – Alto Adige region in Italy. This ripe, round, lush wine would be the perfect start to an evening, especially when paired with seafood, such as some of our appetizers: a dozen Oysters, or perhaps the Shrimp & Crab Cocktail.

Rock Angel Rose by  
Chateau d'Esclans

One of our most popular summer wines is the Whispering Angel Rose, which we offer by the glass. We are thrilled to add the Rock Angel Rose to our by-the-bottle selection this summer.

The Rock Angel Rose is an award winning wine, with very high ratings from some of the most recognized names in the wine world – 90 points from Wine Enthusiast, 92 points from Tasting Panel, 9

# GOLF COURSE

## Is Your Golfer Etiquette Par for the Course?

**Scott E. Niven, CGCS**

**Property Manager**

Golf is a very unique game versus other sports, for all players on the course during any given day can have an impact on the playing field, which can affect other players score and enjoyment of their round. The rule book has a chapter on golfer etiquette so that each individual will know how to behave in a manner that doesn't negatively influence the condition of the course, pace of play and ultimately the enjoyment of every other golfer's experience. The following is a fairly comprehensive listing of the various components of golfer etiquette that come into play during each round. Even if you aren't a scratch golfer, hopefully your care for the course and fellow players is up to par. If everyone will follow these recommendations we can reduce damage, improve the pace of play, and enhance golfer enjoyment.

1. Share a golf cart with another player rather than ride alone.
2. Be aware of the noises you make when others are playing a shot.
3. Turn your cell phone off during the round.
4. Finish your round in under 4 hours and 15 minutes.
5. Use the correct set of tee markers for your ability.
6. Clean up your broken tees on each tee and dispose of any debris that you find.
7. Watch other players shots and assist them in finding their golf ball when necessary.
8. Replace your divots and additional ones if you have time.
9. Be aware of natural areas and keep your golf cart on paths or mown turf.
10. Drive and park on the middle of the cart paths, avoiding worn areas and edges.
11. Enter and exit bunkers on the low side; do not pull sand over the edge and place the rake along the lower edge. Tap sand off your shoes before walking on the green.
12. Place your cart or golf bag in the direction of your next shot to avoid slow-ing down play.
13. Always pick up your feet when walking on the greens. Avoid twisting, shuffling, and jumping. Purchase shoes that won't cause deep imprints.
14. Find your ball mark and repair it properly, fix others as you see them.
15. Be care removing and replacing the flagstick to avoid damage to the edge of the hole. Place it down carefully on the green or outside the edge of the green.
16. Remove your ball from the hole with your hand, never use your putter.
17. Only use the range for practice, not the golf course, just one ball in play.

Thanks for doing your part to keep our great golf course looking and playing its best!
