

SPRING AND SUMMER TENNIS PROGRAMS

SPRING AND SUMMER TENNIS PROGRAMS

by Sebastian Bredberg

Dear Members,

We are almost ready to go outside and start the outdoor tennis season at Stanwich. Here is some information so you can start planning activities for you and your children. You can now sign your children up for our Sunday afternoon junior tennis clinics (more info below). We are still doing sign-ups for Summer Camp and Junior Tennis Academy (children 11 years and older) through an online registration system which you can find on our website.

If you would like to book a standing private lesson, please email us and we will let you know our pros' availability.

In regards to staff, Chris Post will continue as our Head Tennis Pro for his fourth year. In addition I have Patrick Oliveira returning as our additional full-time professional for his second season to assist with the increased demands in our tennis programs.

Please do not hesitate to send me an email or call me if you have any questions about the various programs and events.

I am looking forward to another great outdoor tennis season!

Sebastian
